Parent-Teacher Conferences

Parent-teacher conferences will be held on February 3rd, 2017. Research shows that students do better in school when parents are involved in their academic lives. Attending parent-teacher conferences is a way to be involved and help your child succeed.

Please review the attached parent-teacher conference schedule. Teachers will be meeting with students' parents in back-to-back meetings, so try to be on time for your meeting. Keep in mind that you and your child's teacher have the same goal in mind: To help your child succeed in school!
