Parents, we are 4 days away from our first day of the 2017-2018 school year! Please read below for important information regarding uniforms and registration.

Uniforms & Dress Policy

Order Delay: Parents, please be advised that we are aware of the delay in uniform orders from Parker. They are working hard to get these orders fulfilled as soon as possible and we ask for your patience. Until orders are fulfilled, students can wear the Oxford dress shirt, or last year's uniform. New students can wear any collared shirt and navy pants/shorts for in the mean-time.

Shoe Policy: There has been a change in policy regarding shoes. Shoes must be all black, rubber-soled, leather preferred. No athletic/tennis shoes of any kind are allowed (such as Converse, Nikes, Jordan's, etc.) Thank you for your cooperation.
